IMPORTANT: You must carry this certificate with you, in your hand luggage, when you travel to the UK and present it to the Immigration Officer on arrival. Failure to do so will result in a delay to your journey as you may be required to undergo the tests again. Upon arrival in the UK you should register with a General Practitioner (GP) and give a copy of this certificate for their records. If your chest x-ray shows abnormality requiring follow-up, we will also give you a copy of the chest x-ray and interpretation which you also have to give to the GP.
